

## 20mm Camlock 0801

## Product Description

A range of 20mm Camlocks available in Bright Chrome with a Double D hole fixing shape. The shuttered barrel on many of these Camlocks can be passivated and greased for greater protection when used outdoors. This makes them ideal for applications such as **Automotive, Enclosures and Postal**.

- **Standard movements:** 1, 2, 3, 4
- **Lock Combinations:** 2000
- **Standard finish:** Bright chrome
- **Fixing hole shape:** Double D
- **M Keyed system** supplied to order only
- **Dimension 'B' Specification:** See [Cams](#)
